To be signed by employee's supervisor:

I understand that the County Manager has approved the use of county employees to work in disaster related roles in times of disaster pursuant to Miami-Dade County Code Chapter 8-B and that the above applicant is enrolled in the Disaster Assistance Employee (DAE) Program. As a DAE he/she will be considered an essential employee for the County's emergency operations efforts and once activated may be asked to work prior, during, and/or after a disaster. Furthermore, DAEs will not require written documentation for their release. Upon completion of DAE service, a timesheet indicating the hours worked in their disaster role will be forwarded to your department. I also understand that some training sessions will be provided and that this employee will be permitted to attend training.
